Re: U.S. Patent Application S.N. 10/619,670
For: Condom Cover All
Ref. No.: MCL-100-A

Dear SPRE:

I filed a Petition To Withdraw from the above-identified patent application on June 3, 2004 accompanied by a stamped self-addressed postcard. I received the postcard back stamped as received in the Patent Office on June 7, 2004.

The Petition Office said that this type of petition is handled in the art unit and to contact you regarding this application file. The record showed that the withdrawal had not yet been entered. Can you tell me when this withdrawal will be entered to the file? This is also a request for expedited handling of the withdrawal request as an Office Action was sent after the withdrawal was received in the Patent Office. Thank you for your help with this matter. Please contact me with any questions.
